DECISION ON PETITION

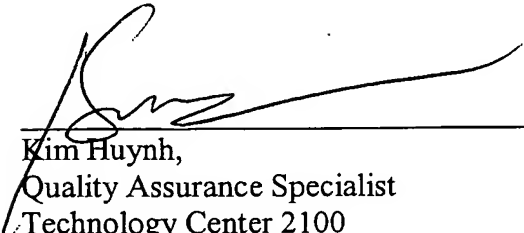

This is a supplemental decision on the petition filed Sep 20, 2006, requesting the entry of the Appeal Brief in the instant application. This supplemental decision is to correctly identify the petition date of Sep 20, 2006 which was mistakenly identified as July 20, 2006 in the previous decision.

A review of the prosecution history reveals that the Appeal Brief filed in Mar 15, 2007 was entered and an Examiner's Answer was mailed on June 05, 2007. It is further noted that the Reply Brief filed June 11, 2007 was entered and considered on July 18, 2007.

Therefore, the petition is **DISMISSED as MOOT**.

Upon the mailing of this decision, the application will be forwarded to the Board of Patent Appeals and Interferences for docketing.

Any inquiry concerning this decision should be directed to Kim Huynh whose telephone number is (571) 242-4147.
